Re: Greg Schmid

To Whom It May Concern:

I am pleased to offer this unsolicited letter regarding Greg Schmid. Anyone who has been in business for any length of time knows how valuable (and how rare) it is to find someone who works with integrity, is smart, knows his business, and strives to listen and meet your needs. Greg Schmid is like that.

I first met Greg in November 2008 when we bought an investment house from him. Since that time, I have continued to stay in touch and am now under contract to purchase another house from him. I continue to find Greg to be honest and trustworthy, as well as extremely knowledgeable about the ever-changing world of real estate. We network and work with lots of different people, but I'd rather do business with Greg anytime.

Let me state again, this letter was not requested; it was not his idea. I just know how important it is to find good people. I would be pleased to respond to any questions you may have.

Best regards,

Mickey Mallin
